

DAY 4—5th Jan

# Tribal Drums

**Treasure Clue #4**

At Glenrowan he made a stand,  
Two smoking pistols in his hand,  
With plates of steel on head and chest,  
His blackened image here now rests.

You now have the three markers for your resection and one direct path. Your next clues will give you the back-bearings and distance needed to find the treasure. Compasses can be drawn from the manor for your use.

Another great day at Maroon Dam, Brisbane & The Gold Coast. Some people had one bend too many on their way to O'Reillys and the porcelain gramophone was put to good use. The seniors produced some spectacular leaps from the cliffs at the waterhole and skiing expertise was amazing. It was good to have Chris Holdsworth back from Brisbane hospital intact. Everyone send heaps of thanks to Max & Hazel Mulcahy and their band of helpers for the excellent barbecue at New farm Park. Today you have to beat 85kph on the speed slide to beat my record. I NEED STORIES ABOUT YOUR DAILY ACTIVITIES. NO MORE JOKES WILL BE PUBLISHED. Alan Victor
